| Jan-92 | <p>From Gay G: To make a motion that binds us to anything for five years is dangerous. It closes us out to any kind of change or new information. I called New York and they reaffirmed the danger of this kind of standpoint that it hushes the minority voice for a period of five years; plus our service manual already makes allowance in that anytime we propose a change, we have to go through three assemblies, which is a year's time.</p> <p>MOTION TO WITHDRAW PREVIOUS MOTION: MOTION: To add to our Manual requirements, that if a manual change has been voted on and defeated, that the change cannot be reintroduced for a period of 5 years. Then we won't have to argue points of order. Have someone in the office committee or somebody else serve as a parliamentarian to help us adhere to Roberts rules of order. AMENDED TO: I make a motion that we contact GSO, ask them for the guidelines they have, to loosely follow Roberts Rules of Order, and that we adopt them into the Georgia State service assembly. | Manual Change First Assembly | Jody A, GSR, Tough Love Group | GSR, Triangle Group | GSR's, show of hands | Motion failed | |
| May-93 | Gay D., State Office Committee Chairperson and newly election Southeastern Regional Trustee gave an update on the upcoming election procedure for Delegate and alt. Delegate. On April 13 a letter was sent from the State Office that Bo W., past Delegate would not be able to complete the duties of Georgia State Delegate and alt. Delegate Randy S. would assume those responsibilities for the remainder of 1993. The office committee has drawn from the experiences of Trustees, personnel of GSO, A.A. Manual, and the Ga. A.A. Manual for the following guidelines (1) we would not elect an alt. Delegate for the remainder of 1993 (in case something should happen in 1993, the State Chairperson would act as Delegate) (2) that Randy can stand for election of Delegate and alt. Delegate. If Randy is not elected to that position, he would automatically rotate to the State Chairperson as the natural rotation as the present Delegate; if he is elected Delegate or alt. Delegate then the State Chairperson for 1994-95 would be elected from able and willing past Delegates. State Secretary has notified all past Delegates, and 2 past Delegates have stated they would be willing to serve, Keith S. and Jerome W. | | | | | | |

| | REPORT ON MOTION: MOTION: <i>The Georgia AA Service Manual</i> be changed in the Election Procedure and Voting chapter, beginning on page 31, to include a "recommended" time sequence for the election of Trusted Servants at the zone and group level. And to read as follows: Election for the office of DCM, Alt. DCM, GSR and Alt. GSR should be conducted in September of odd years to take office on January 1st of the following year to coincide with the terms of office of the State Delegate and the Alt. State Delegate. Elections for the Office of District, Zone and Group Secretaries and Treasurers should be conducted in September of even years to take office on January 1st of the following year to coincide with the terms of office of the State Secretary and the State Treasurer. And further, that this proposed change be conducted in accordance with the procedures as set forth in the <i>Georgia A.A. Service Manual</i> " on page 13." | Ad-Hoc Committee Report Manual Change, Second Assembly | Brenda H, Past DCM 10C Chairperson Ad-Hoc Committee | | While the motion is a good suggestion, it may violate the 4th tradition. | 4-Jan | At the Sept 2003 Assembly Ron B, Vidalia Group, made a motion that we accept the Manual Committees recommendations (both of them). Ernie W, GSR Mitchell City Group seconded the motion. The recommendations were that Office Committee, State Chairperson, along with the DCMs and GSRs abide by this GA State Manual at the Assembly level as it is written (last revised copy). And any motion pertaining to the Manual brought to this Assembly floor and is defeated is not brought to this Assembly floor for two years as done by GSO. | Georgia Service Manual | Ron B, Vidalia Group | Ernie W., GSR, Mitchell City Group | | Minority Report Minority Report by Nancy H, the vote of this manual does not change anything. The moratorium on defeated motions means all motions. Lynn, 13F, original motion not following procedure and manual wasn't voted out so it can't be voted in. The traditions broken #1, #2, and #4. It didn't follow the suggestion of the Assembly to be printed in the Message. In order to change any procedure for the Manual it has to follow procedure which would be part two of the motion. Concepts that were broken are #3 and #11. Sally, GSR, minority opinion was regarding the procedural problems and is happy that there will be a revote. She cannot support the GA State Service Manual as it is not inline with the rest of the country and the traditions and concepts. And two years is too long to table a motion. | |

| 13-May | Motion: "I respectfully request that the following change be proposed to the Group for consideration. In the AA Conference-approved literature titled Suggestions for Leading Beginners Meetings, under the section titled Suggested Topics for Beginners Meetings, topic 6 on page 6, paragraph D, the wording currently states: "Who can be a member of AA and how to join. Many newcomers are greatly relieved at the absence of any official ritual, 'signing up,' or other procedure for becoming an AA member. Anyone may attend open AA meetings. Membership in AA is open to anyone with a drinking problem. Dually-addicted people are also eligible for AA membership, if they have a drinking problem." We propose that this be worded as such: "Who can be a member of AA and how to join. Many newcomers are greatly relieved at the absence of any official ritual, 'signing up,' or other procedure for becoming an AA member. Anyone may attend open AA meetings. Membership in AA is open to anyone with a desire to stop drinking. Dually-addicted people are also eligible for AA membership, if they have a desire to stop drinking." | 17-May | 13A is asking the body for approval to split the zone into two different zones. Currently 13A has 44 groups which makes it difficult for me and the Alt DCM to effectively communicate with all of them. Discussion began last November to see if we could be self-supporting, and have trusted servants available, and decided it was feasible. Currently 13A encompasses North Fulton County, north of 285. An almost even split would be at the Chattahoochee River (groups, money, servants). We propose 13A to be North Fulton County north of 285 and south of the Chattahoochee River; 13L, the new zone, North Fulton County, north of the Chattahoochee River. | Re-Districting | Missy M, DCM 13A | | GSR's, show of hands | Approved |

| 18-Sep | Motion: State Chair become an elected two-year position with the same qualifications as Delegate | Manual Change 2 nd Assembly | Ernie M Chairperson | Bobby O, DCM 6 Ad-Hoc Committee Chair | This ad hoc committee believes that yes, the State Chairperson should be an elected position with the same qualifications as the Delegate. This is in line with The A.A. Service Manual page S36: An election assembly is held at least once every two years to choose a delegate and committee officers. The State Chairman is an Area Officer. The ad hoc committee also recommends the following changes be made to The A.A. Service Manual: That the Qualifications of the Delegate on page # 18 be renamed to <i>Qualifications of the State Chairperson</i> and placed on page #20. That #5 under qualifications be reworded to: "In office for 12 months of the year preceding election year as a D.C.M., Alternate Delegate or past Delegate who has not served, actively engaged in groups, district and the General Service Conference." That "Chairperson shall be a past Delegate" be removed from page #20 Update page #29 – "Delegate, Alternate Delegate and Chairmen" On page #32 under Chairperson we recommend the following paragraph: "To be eligible to run for Chairperson, a candidate must first be available to run for Delegate. If he/she runs for Delegate, he/she must run for the Alternate and/or Chairperson (unless he/she has already served as Alternate or Chairperson) and all candidates will be placed once again on the blackboard for voting. The election procedure is the same as for the Delegate, with no deviations." | Voting in January |
