While our literature has preserved the integrity of the A.A. message, sweeping changes in society as a whole are reflected in new customs and practices within the Fellowship. Taking advantage of technological advances, for example, A.A. members with computers can participate in meetings online, sharing with fellow alcoholics across the country or around the world. In any meeting, anywhere, A.A.'s share experience, strength, and hope with each other, in order to stay sober and help other alcoholics. Modem-to-modem or face-to-face, A.A.'s speak the language of the heart in all its power and simplicity.
