

**Group History**

The Archives Committee has begun an exciting new project. We are gathering the history of the AA groups in the Georgia Area. This will give us a permanent record of the beginnings and growth of AA in our area. It has been 9 years since we produced a history of the groups in Area 16. Whether your group is young or old, we would like your participation. We have obtained much interesting material for our area and we are excited about this phase of our work. Please help us by completing the form below and submitting it to the state office P O Box 7325 Macon, GA 31209. If you have any questions or suggestions, please call any of the following members of the Archives committee: [Archives@aageorgia.org](mailto:Archives@aageorgia.org) or at the GSSA office 478-745-2588.
