

Communications Committee

**Welcome**

# Communications Committee

## **Who is the Communications Committee?**

We are the team handling the technology for Area 16

Most of us have some level of technical background or aptitude  
and work professionally in technology

Largest Area 16 service committee  
Currently have x7 standing members

***Committee members in attendance - please stand***

# Communications Committee

## **What Do We Do?**

We are responsible for the technical and digital aspect of the Area's service activities

We handle the “tech” for the Area including most of the technology that is here at assembly

We do not directly impact 12th Step work; rather we serve and support Area 16 as a whole

Communications Committee

# Workshop

Virtual Meeting Platforms and Tools

# Communications Committee

## Part of “Some of the Things We Do” is

Manage the Area’s Zoom Account and Facilitate Meetings As Needed

- [Zoom Host Training video from Patrick B \(Al-Anon MAIS\)](#)
- [Tool list for Zoom](#)
- [The Zoom Security Guide](#)

# Communications Committee

## Zoom is NOT the only option

**Google Workspace** is available to all aageorgia.org accounts

This is not an endorsement of, or for, Google

It simply meets our needs and has zero cost to GSSA as a non-profit

**Google Workspace** comes with **Google Meet**

**Zoom versus Google Meet**
