

## Parking for Georgia State Service Assembly in Macon

GSSA Parking

We have heard from many of you about the parking and the gate being closed during the January Assembly. While we welcome all comments and suggestions, due to a couple of serious accidents coming into or leaving the facility, the gate that we usually use (Gate 4) has been permanently closed. This is a management decision of the Marriott Convention Center - not GSSA. Please see our designated parking area on the map above. We look forward to a great Assembly in May. Hope to see you all there.
