Encourage and Educate By Traci M. Area 16 Delegate

I am amazed when I consider that when you are reading this, the 72nd General Service Conference in New York will be done. While work continues, year-round, preparation for Conference is limited to a few short months. One of the things I am learning as I prepare for Conference is how much information we have available to us. Being familiar with the AA Service Manual, the Steps, and the Traditions helps a lot. Learning how the Concepts work in General Service is to watch more spiritual principles come to life.

I want to encourage all our members in Area 16 to take advantage

of the opportunity to participate in service. Our basic structure in Alcoholics Anonymous is designed with our home groups as the heart and voice of our Membership through the group conscience. An informed group conscience requires informed members.

Our Second Tradition states: *For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.*

Our First Concept states: *Final responsibility and ultimate authority for AA world services should always reside in the collective conscience of our whole Fellowship.*

How can we encourage our groups in Area 16 not only to par-

ticipate in service, but to also stay current and informed on Alcoholics Anonymous as a whole? Our Office Committee, Area Service Committee Chairs and Co-Chairs, and our DCMs and Alternate DCMs will have our Pre-Conference Meeting next week. I will be able to hear from many of our Districts concerning the Agenda Items that will be addressed at the General Service Conference in April. I am very encouraged by the number of service workshops that are being held by groups and districts in our Area. I receive flyers and announcements from DCMs and GSRs working together and reaching out to bring education to our members.

Your Voice By Tom B. Area 16 Alternate Delegate

On April 2, 2022, DCMs and Area Service Committee Chairs and Co-Chairs gathered at our yearly Pre-Conference meeting. Each one is assigned to a Pre-Conference committee that is made up of seven or eight DCMs and the respective Area Service Committee Chair and Co-Chair. They all met to share the voice of AA members in Georgia with our Delegate on the many different Agenda Items scheduled to be discussed at the 72nd General Service Conference. Our Delegate will attend the Conference at the end of April in New York City to be part of this weeklong meeting of 93 Delegates, 21 Trustees, and many GSO staff members. She will carry

Georgia's informed group conscience as well as utilizing her "Right of Decision" (Concept 3) to aid her in making an informed decision about each Agenda Item presented at the Conference.

How are the Conference Agenda Items communicated to you? Each February, the Conference Agenda Items and their background information are sent out to all 93 Delegates for the upcoming General Service Conference. Our Delegate then sends the list of Agenda Items to all the DCMs and Area Service Committees for feedback from their respective District and Service Committee. Each DCM has a group of Agenda Items from their assigned Pre-Conference committee to be shared and discussed with the GSRs in their District. The GSR then takes this information back to their home group

to communicate and gather an informed group conscience on each of these Agenda Items. The Area Service Committees share and discuss the Agenda Items that are assigned to their particular committee with all the different District Service Committee Representatives. The District Service Committee Representative then takes this information back to the committee members to communicate and gather an informed group conscience on each of these Agenda Items. TREASURER / treasurer@aageorgia.org

Financials: First Quarter

By Kelly G.

Area 16 Treasurer

I had the honor of meeting with a group of DCMs in Macon for our Pre-Conference meeting to discuss two Conference topics: Finance & International Convention/Regional Forums. This is my second year doing this, but my first time being able to do it in person. I am very grateful to the DCMs I met with and the input they provided from their Districts. I feel that Tracy will be well-prepared to share our Area's conscience.

I would like to give a report of the first quarter of 2022. Our ordinary income is \$45,877, which is about \$1,659.78 under our goal. Our expenses were \$40,239, which is \$15,872.58 below the budgeted amount. Our literature sales income is

sitting around \$20,000, which is \$658 less than budgeted.

In 2021, we made a strong budget for the 2022 year, and I am happy to report that the groups and districts have answered with support. We are close to hitting all our budgetary goals.

Georgia is the only state that holds a Pre-Paid Convention. Our conventions are paid for by contributions from groups and districts so AA members from in state do not have to pay for admission. Because of generous contributions, we have a balance of \$182,399 in the account. Using an average cost of the last three in-person Pre-Paid Convention, this would cover approximately 4.3 conventions.

Our contributions to date are over \$9,000, which is an increase of 30% since last year.

SECRETARY / secretary@aageorgia.org

A Desire to Stop Drinking

By Liz W.

Area 16 Secretary

I have heard it said that Alcoholics Anonymous is a microcosm of society at large. This seems to be true, as we have people from all walks of life, all ages, all genders, all races, all religious beliefs, all political affiliations, and I'm sure there are more things that I left out. But the beautiful thing about Alcoholics Anonymous is that none of those things matter once we walk into a meeting. When we sit in that seat, the only thing that matters is that we all have a desire to stop drinking. What a relief. And it's the only requirement for membership too!

What a fabulous opportunity for people "who normally would not mix" to get to know and grow with each other. I look back on the last 25 years and I am astounded. In some ways it seems like it was just yesterday that I walked through these doors, and in other ways I see how much has happened from then until now. Most of it involves service in Alcoholics Anonymous. There are very few service opportunities that I can honestly say I was glad to be finished with. Most of the time I was just getting the hang of

it when it came time to rotate out. But rotate I did, and I started something new as soon as I possible could. Service work has been the foundation of my recovery.

I simply can't imagine what my life would look like today had I not taken the suggestions to get involved. Heck, I was willing to take just about any suggestion that was handed to me. For the most part, I still am. This journey hasn't been the smoothest. Life has still happened. Family members have passed on, people I loved have chosen to drink again, a sponsee paid the ultimate price, groups have folded, and others have started up, and life goes on. I have found that as long as I don't make everything about me, I can be useful in any tough situation.

The gifts of this program are not limited to just staying sober. I was told that the more I put into my recovery, the more I would get out of it. I believed that then, and I believe that now. I used to have to do something every day to be able to drink, and I must do something every day to stay sober. As long as I stay active, I believe I will continue to be happy, joyous, and free.

SELF-SUPPORT

GROUP CONTRIBUTION PLANS TO AA SERVICE ENTITIES

"To help support AA's essential services, the General Service Conference suggests that individual groups, *through an informed group conscience*, adopt a specific contribution plan tailored to meet the group's financial situation." - *Self-Support: Where Money & Spirituality Mix*

Self-support begins with each of us as part of a group. After group expenses are paid, remaining contributions should be disbursed to cover the expenses of our service entities so others can discover the miracles of AA.

Below are sample distribution plans. The group conscience should be informed on the financial needs of each of the service entities when making their distribution decisions as those needs change over time.

The Audio Project is still accepting digital recordings. If your recording is accepted, it will be posted on the YouTube channel for Grapevine or La Vina.

Mitch and I need your help working the table during Assembly. If you're able to help watch the table and sell books for 30 to 60 minutes, please email us at grapevine@aageorgia.org

Carrying the Message

By Karen S., Chair,

Don K., Co-Chair,

Area 16 Treatment /

Accessibilities Committee

Bill W. learned that carrying the message to other alcoholics was the best insurance against a drink. He met Dr. Bob in Akron, Ohio, which was the beginning of our society. Today, our committee carries on the work of our founders each time we carry the message into a treatment facility. After two long years, we are excited to hear that some facilities have begun to allow visitors back inside, so that we can do this vital work. We are also excited to have members all over Area 16 to carry the message. Please continue to reach out to facilities to maintain contact and find out what their current policies allow. Also, we are hearing about many new facilities that are opening and need to establish contact with them.

If you know of someone who is being released from a treatment facility and returning to another District or Area, the Bridging the Gap program is designed to connect that person with a contact in AA in their home area. We are working to incorporate the program into facilities throughout our area. If you need help establishing Bridging the Gap in your District, reach out to us through aageorgia.org.

We want to thank District 1 for hosting us at their Cluster Forum in February. We had a packed workshop that morning and enjoyed the Hee Haw cast in the afternoon.

Are we making sure that AA is accessible to all who need it? Are their barriers that keep members or potential members from attending our meetings? We are available to help make our society accessible to those who may have health, language, age, or caregiving issues.

A Willingness to Serve

By William B., Chair

Area 16 Public Information/

Cooperation With the Professional Community Committee

Area 16 would like to thank District 1A for hosting their February 2022 Cluster Forum in Cairo and District 14C in Acworth for hosting their Service Workshop. The PI/CPC Committee attended both. We made presentations and distributed literature. We welcomed all who had a willingness to serve and discussed how to get started for those who were new to PI/CPC work.

We met with our committee assigned DCMs on Zoom and in person to discuss, review, and consider our agenda items for our Pre-Conference Meeting for the 72nd General Conference Meeting. We want to thank them for representing their group conscience.

The PI/CPC Committee will continue looking forward to working with our Armed Forces Subcommittee and the

Council of Accountability Court Judges. The Armed Forces Interview Project has a call for volunteers. The project letter has been forwarded to DCMs and members of AA who are currently serving or recently retired from the military. Military AA members can obtain more information about this project via email at: militaryoutreach@aa.org

We hope to see all PI/CPC district representatives, group representatives, and all those interested in PI/CPC work at our Saturday meeting and workshop at our May Assembly. We want to hear your concerns and ideas as we continue into this rotation as we want all districts involved in PI/CPC work.

Please contact the chair or co-chair at picpc@aageorgia.org if you have any questions about PI/CPC work. Visit our website at aa.georgia.org for up-to-date AA events and literature.

Presentations Continue

By Mark G., Chair,

Drew H., Co-Chair

Area 16 Archives Committee

Spring is here, and the Archives Committee wants to invite everyone who would like to become involved with our amazing archives to do so. Our vision going forward is "How Archives Can Be Used to Carry Our Message". We have just posted *The Oxford Group Comes to Akron* to the Archives page on aageorgia.org. It describes our early beginnings that led to our program of recovery and our steps, which have since saved millions worldwide.

We have more presentations down the road to look forward to, starting with *The Evolution of the Spiritual Experience*, pulled from the chapter "There Is A Solution," which traces

this spiritual component from William James himself, and his book *Varieties of Religious Experience* to Dr. Carl Jung. Did you know they met! After Dr. Jung's own spiritual growth, he gave it to Rowland Hazard who then gave it to Ebby Thacher, who presented it to Bill Wilson, who brought the concept with him to visit Dr. Bob for the first time. This presentation will take place the weekend after Assembly on May 28th, at 7 p.m. on Zoom (see flyer).

Mark your calendars for the next Area 16 Assembly slated for May 20-2A, where at the Archives Committee meeting, the next series of presentations will be discussed and the drive to digitalize our vast speaker library will be planned. Bring any other ideas you might have. Please join our mailing list so you receive notifications by emailing the Archives Committee, archives@aageorgia.org to sign up.

Corrections Facilities Are Slowly Reopening

By David J., Chair

Dawn U., Co-Chair

Area 16 Corrections Committee

Currently, prisons and jails are slowly opening back up and we need volunteers for all locations in Georgia. We have run into obstacles with volunteers, but the prisons are still working to fill staffing positions. Regardless, we still need to get volunteers with badges. To become a volunteer for a state facility, you will need three years off probation or parole. You will need to go through the state's Department of Corrections training. The first step is to complete their online application on the website www.dcor.state.ga.us. Under the main menu there is volunteer services section. You will need to watch a short video and complete the application. Once the application is complete and approved, you will be notified to take part in a training session in Forsyth, Georgia. Once that training is completed, you will leave with your badge.

If you have questions, please contact David or me. We will be glad to help.

If you are having issues completing the application online, come to the Assembly in May and we can assist you.

Area 16 Communications Committee

Welcome to our new Area 16 Webmaster!

The Communications Committee would like to welcome **George K.** as our new Area 16 Webmaster. George steps into the role that Paul W. has performed for us so masterfully for the past four years. Thankfully, Paul is not leaving; he will remain on the Web Committee as a developer alongside Damon E. and Web Committee Chair Dave L. to continue the great work they do. Thank you so much, Paul, for your tremendous dedication and service to Area 16.

However, we still need your help! There is much to be done, and the Web Committee is looking for service volunteers with **web / IT experience** to assist, specifically with experience in the following skills:

- Enterprise app support
- Website tools
- HTML / CSS / JavaScript
- PHP & MySQL

This committee supports the Area 16 email accounts, central office software, Area 16 websites (aageorgia.org and find.aageorgia.org), and other emerging needs to support our Area within the greater AA organization. Interested candidates, please reach out to communications@aageorgia.org with your relevant experience.

I am responsible, when anyone, anywhere, reaches out for help, I want the hand of AA always to be there, and for that I am responsible.

THE GEORGIA MESSAGE OF AA

Delegate
Continued from Page 1

I am beyond excited and honored to be able to be a part of Area 16 and be your Delegate at the 72nd General Service Conference in New York. To be able to be of service to the Fellowship that saved my life is a direct result of the alcoholics that reached out to me when I desperately needed help.

On the last page of the AA Service Manual, Bill ends with these few sentences: *Freedom under God to grow in his likeness and image will ever be the quest of Alcoholics Anonymous. May our General Service Conference be always seen as a chief symbol of this cherished liberty. To a man, we of AA believe that our freedom to serve is truly the freedom by which we live—the freedom in which we have our being.*

Alternate Delegate
Continued from Page 1

and their background information are posted on our website, www.aageorgia.org. Also know that each group or service committee can discuss other Agenda Items of interest not assigned to their respective District or Committee.

How does your voice, as an AA member-at-large, get communicated to our Delegate? As a member of a home group, your voice on each Agenda Item assigned to your District's Pre-Conference committee is collected as part of a group conscience. Each GSR shares the informed group conscience of their home group with their DCM. The DCM then takes the collective group conscience of their District to the Pre-Conference meeting to be shared with the Delegate. As a group Service Committee Representative, your voice on each Agenda Item assigned to your respective committee is collected as part of a group conscience. Each District Service Committee Chairperson shares the informed group conscience of their district's service committee with the Area Service Committee Chairperson. Then the Area Service Committee Chairperson takes the collective group conscience of their Service Committee to the Pre-Conference meeting to be shared with the Delegate. The informed group conscience of each assigned committee is presented to all attendees of the Pre-Conference meeting and recorded in writing for the Delegate.

This communication chain of information from Delegate to AA member-at-large and back to Delegate is an invaluable process when used effectively. Our trusted servants at every position of this communication chain need to be diligent and available so that your voice is heard.
