Confidential for members
September/October 2022
Volume 58, Numbers 9-10

**Service Inreach
By Tracy M.
Area 16 Delegate**

I am incredibly grateful to be a part of the worldwide Fellowship of Alcoholics Anonymous. I have been blessed in the last couple of weeks to attend a Conference that focused on "Unity and Service".

How are we working to bring our groups, Districts, and Area together to present a unified program that encourages participation in service? Are we finding different ways of making sure that we don't overlook the needs of our members that are already in our rooms? Are our meetings accessible for everyone?

Our Georgia State Service Assembly in September will provide workshops that cover so many opportunities in outreach through our Service Committees. All of us, at one time, attended our first Assembly. Perhaps

there is that one person in your group or a meeting you attend that could have that same experience.

We will approve our new Secretary, Bobby O., and our new Treasurer, Todd B. In the spirit of rotation, we will also give our gratitude and appreciation to Liz W., our current Secretary, and Kelly G., our current Treasurer, for a job well done!

I want to encourage every GSR to let their group know what their General Service Office does. I would like to give an example that our AAWS Chair, Jimmy Dean, shared at the Unity Conference. During the pandemic, when our New York office had to close the office at 475 Riverside Drive, the offices immediately became the homes of our General Service Office staff.

The questions of how we would provide services required adapting quickly. One of our office staff went to our P.O. Box 459 every day in a hazmat

suit, piled the mail in his car, and took it to his apartment. He placed it in a spare room and sprayed disinfectant on it. Then he let it stay there for twenty-four hours. Finally, he sorted the mail out to the desk that would normally handle those letters. Almost daily he would then deliver the letters to the appropriate staff member. Talk about going to any lengths for Alcoholics Anonymous!

While our General Service Office staff are paid employees, they are also alcoholics that love our Fellowship and are passionate in their work for us. I saw firsthand their excitement and joy when we were the first tour of the office since April of 2020.

Every letter sent receives a response. Every phone call is answered

**Let's Assemble
By Tom B.
Area 16 Alternate Delegate**

What is the Georgia State Service Assembly? The Georgia AA Service Manual states, "The Georgia State Service Assembly is the combined effort of every AA group in the state, through the groups' elected GSR to resolve all issues affecting Georgia AA as a whole, and to send the elected Delegate from this Assembly to the General Service Conference to resolve all issues affecting AA as a whole." The Assembly Format can be found on page 14 of The Georgia AA Service Manual. There are four guidelines describing the format, when, and location of the Assembly.

Our Assembly is a full weekend of meetings and workshops. There is a Friday night open discussion meeting hosted by one of the local AA groups. Saturday morning has several differ-

ent workshops, depending on the service position you hold and what piques your interest. If you are new to the Assembly, the workshop Assembly 101 helps you get the most out of the Assembly. Each Area 16 Service Committee holds a workshop to help Districts and groups with ideas and resources. There is also a Secretary/Treasurer workshop facilitated by the Area 16 Secretary and Treasurer to guide and instruct how these positions operate at the District and group level. In the afternoon a DCM meeting is held with the Delegate and Office Committee to discuss what will be presented at the Sunday morning business meeting and any other pertinent information. GSRs can attend an informative orientation on what it means to be a GSR. In the late afternoon the GSR workshop is filled with presentations, Service Committee reports, and an Ask-it-Basket. Saturday night we have an open speaker

meeting with a guest speaker invited by our Delegate. Then to close out the night, there are more Area Service Committee workshops after the Speaker meeting for those individuals seeking additional information about the service area they may be interested in.

The Area 16 Business Meeting is held Sunday morning at 9:00 am. All GSRs or their designated Alternate GSR in their absence must be signed in and registered before 9:00 am on Sunday to be able to vote in the business meeting. In this meeting, you will

TREASURER / treasurer@aageorgia.org

Finance Update By Kelly G. Area 16 Treasurer

It was an honor to be present with y'all in Dublin this last month. As you know, my first year as Treasurer was fully virtual, and I was not able to make the first Assembly of 2022. It made such a big difference to be able to be there with all of you and hear all the great things you're doing in your groups and Districts. I want to thank all of you who joined the Secretary & Treasurer workshop on Saturday. It was our best participation yet!

Our finances for 2022, thus far, are strong. Our ordinary income was \$94,373, which is \$6,889 more than we budgeted. Our literature income was \$24,987, which is \$2,847 less than budgeted. However, we netted \$4,042 more in overall income than we budgeted for. Our overall expenses were \$78,729, which is \$11,765

less than we had budgeted. Please note that facility restrictions are still affecting many of our committee's ability to travel. We expect to see these figures increase over time.

With a total income of \$94,272 and total expenses of \$78,729, GSSA netted \$15,645 for the first four months of the year. I would like to thank our groups and Districts in Area 16 for continuing to support the efforts and service work of our Area. Your commitment funds the services to help the still sick and suffering alcoholics in Georgia.

I am looking forward to working with the Budget and Finance Committee over the next few months to present a budget for the 2023 year. Be on the lookout for information from your DCMs in the coming months. Again, thank you for this opportunity to serve. I am excited to continue working with all of you.

SECRETARY / secretary@aageorgia.org

Blessed to be in Service By Liz W. Area 16 Secretary

As I write this, I am taken aback by how time flies. In just a few weeks, I will be taking the minutes for my last Assembly. What an amazing adventure you have all granted me.

I was nominated and elected on a virtual platform. We voted not to have electronic voting. I served the first half of my term in a small office in the room over my garage. I went to my first Hispanic Cluster Forum. I visited cities that I had never been to before, like Cairo, Newnan, and Loganville. I met people from all over the State of Georgia who are all in love with service, just like I am. Everyone has been so warm and welcoming everywhere I have gone. I am very much looking forward to our first Women's Hispanic Workshop in Atlanta on October 1. The growth there has been so heartwarming. There will be a few more things to complete before I

step down on December 31, and I intend to stay with it until the very last day. I don't want to miss a thing!

Don't think you have seen the end of me though. I plan to keep coming and serving in any way that I can. I want you to know that this opportunity has opened my eyes. I have taken the time to learn more about our Twelve Traditions and our Twelve Concepts, and I have a new insight on what it means to be a trusted servant.

I don't know that I would ever be completely comfortable being up on that dais on Sunday mornings for the business meeting, but at least I can say that I have become less uncomfortable than before, and for an alcoholic of my type, that's a pretty big difference.

May you all be blessed, by the God of your understanding, with many opportunities to be of service to Him and the people about you!

SELF-SUPPORT GROUP CONTRIBUTION PLANS TO AA SERVICE ENTITIES

"To help support AA's essential services, the General Service Conference suggests that individual groups, *through an informed group conscience*, adopt a specific contribution plan tailored to meet the group's financial situation." - *Self-Support: Where Money & Spirituality Mix*

Self-support begins with each of us as part of a group. After group expenses are paid, remaining contributions should be disbursed to cover the expenses of our service entities so others can discover the miracles of AA.

Below are sample distribution plans. The group conscience should be informed on the financial needs of each of the service entities when making their distribution decisions as those needs change over time.

The Carry the Message Project is still in full swing. Let's ensure that we continue to practice our Twelfth Tradition in carrying our meeting in print to those who might not otherwise be able to get to a meeting or afford a subscription. If you know to whom you want to give a subscription you can send a gift subscription to that person. If you don't know, you can send a gift certificate. The gift certificate will be sent to you via email. Forward that email to sdominguez@aageorgia.org and they will redeem it for someone who has requested a subscription but can't afford one.

Feeling like your life without alcohol is "stupid, boring and glum, like some righteous people I see?" Well, you should check out the newest Grapevine book "Fun in Sobriety. "We are not a glum lot ... If newcomers could see no joy or fun in our existence they wouldn't want it." Because truth be told, after working all Twelve Steps and living the Three Legacies of Unity, Recovery, and Service "the most satisfactory years of our existence lie ahead."

What's Happening!

A Willingness to Serve

By William B., Chair

Karen A., Co-Chair

**Area 16 Public Information/
Cooperation With the Professional
Community Committee**

We would like to thank everyone that came out to the Roundup and visited the GSSA workshop. It was great to see everyone.

Our General Service Office (GSO) invited Area 16 PI/CPC to participate in a conference in June for the National Association of School Nurses (NASN). This was held at the Hyatt in Atlanta. We are grateful to all volunteers who, by the way, stated they enjoyed the event. Near the end of the conference on Wednesday, we ran out of pamphlets and literature that relate to young people and problems with alcohol. All literature and items used

for the booth set-up were supplied by GSO.

GSO has also asked us if we could participate in the National Medical Association Convention at the World Congress Center from July 31-August 3.

We look forward to seeing everyone at the Assembly in September, where our workshop will address speaking at non-AA meetings. Look forward to lots of great games, chances to win prizes, and an overall good time at the workshop. Bring a friend.

Please contact the chair or co-chair at picpc@aageorgia.org if you have any questions about PI/CPC work. Visit our website at aageorgia.org for up-to-date AA events and literature.

Continuing the Work of Our Founders

By Karen S., Chair

Don K., Co-Chair

**Area 16 Treatment /
Accessibilities Committee**

Our founders focused on carrying the message to other alcoholics inside treatment centers. They found that their prospects were more receptive when approached in this way. Today, AA has become a household name, and many prospects search out a local meeting, but many others have misconceptions about our program of recovery. The Treatment side of our committee works with District and group treatment representatives to carry the AA message into facilities. If you are involved in taking the message into a facility or would like to become involved, we are here to help. Come to our Assembly workshop or reach out to us through the Area website.

Although many facilities are still limiting visitors, we can make initial contact with newly recovering alcoholics through the Bridging the Gap program. The Bridging the Gap program allows treatment facility patients to request an AA contact in the Area they will live when they leave the facility. The request is forwarded to our committee, and we reach out to a local AA member to make initial contact with the patient and offer help getting to a meeting within 24 hours after the patient is released. If you are in contact with a facility and want to talk with them about the Bridging the Gap program, let us know.

Can every member or prospective member in your District attend a meeting? The Accessibilities side of our committee works with Districts and groups to make sure that a meeting is accessible to all who want to attend. Barriers can include physical access to the space, as well as language, transportation, or childcare issues.

Are we making sure that AA is accessible to all who need it? Are there barriers that keep members or potential members from attending our meetings? We are available to help make our society accessible to those who may have health, language, age, or caregiving issues.

We look forward to seeing everyone at the September Assembly!

AA Pioneers

By Mark G., Chair

Drew H., Co-Chair

Area 16 Archives Committee

It is a blessing that things are slowly getting back to normal bit by bit and the Fellowship of Alcoholics Anonymous is stronger than ever. The Area 16 Archive Committee is looking forward to the upcoming Assembly. We have added the most recent archives presentation, "Evolution of the Spiritual Experience," to our Archive web page. Everyone is invited to view this and all the other presentations by visiting the Archive's web page under the Committees tab on aageorgia.org.

At our next Assembly, we will finalize the new portal for listening to talks by the founders and early Georgia pioneers, all of which took place right here in the great State of Georgia. Our plan is to post two or three talks at a time, but we could use everyone's input when

we discuss the details during the upcoming Assembly Committee meetings. We also need your input for future presentations, Ideas, and topics that follows our theme of "How to use archives to better reach the newcomer" at our next Assembly this September.

The next planned presentation for Archive's Zoom meeting will focus on the "Pioneer Women of AA" and the incredible contributions they brought to the table. A fascinating look at major elements of our Fellowship that are rooted in the work of these early pioneers, even the first AA meetings in different cities, especially international countries, and foreign providences that owe their first recoveries to these amazing women pioneers. We are looking at the end of September or early October.

If you wish to be notified about the exact date for all future events, please sign up by sending an email to us at archives@aageorgia.org.

The Joy of Service

By David J., Chair

Dawn U., Co-Chair

Area 16 Corrections Committee

Recently we have been blessed with three service events — the Atlanta Roundup, a District 16B service event, and a District 13 Corrections meeting. The enthusiasm was awesome! During these events, I had my "Love and Service" lapel pin. If you remember, that was the phrase used by Dr. Bob in his farewell speech to AA. The love of AA was seen in everyone who attended.

There was much discussion at these recent events about getting back to service work. You see, Corrections service is in-person service, much like a Twelfth Step Call. We continue to have the Department of Corrections invite us into prisons. Sheriffs have again opened their jails to us.

There are many service opportunities ranging from writing to an AA member in jail, collecting Grapevines, making a Pink Can, being a Bridge the Gap contact, being a once-a-year prison speaker, and carrying a message into a facility. An old-timer once said that service work by members is like drops of water in a very large ocean. There is a service opportunity for every personal situation.

Being in every prison and jail would mean that the hand of AA is always there. We invite you to contact us at corrections@aageorgia.org or call Macon, and we can help you find a service opportunity.

COMMUNICATIONS / communications@aageorgia.org

Does my Group or District Need a Communications Chair?

By Janie C., Chair

Jaki T., Co-chair

Area 16 Communications Committee

Many of our groups and Districts have Corrections, Grapevine, PI/CPC, Treatment, and Archives Representatives that do the important work of carrying the message both within and outside. We also have Group/District Secretaries, Treasurers, GSRs, and other trusted servants that help us to function, and keep us informed. However, there is another position that may help to bridge a few possible gaps — a Communications Rep. What might a Communications Rep do for you?

Although "who does what" in a group is entirely up to your group conscience, a Communications Rep could help to tie committees and positions together and **assist other trusted servants with the simple goal/focus of making sure that our group/District communications are clear and consistent — that your group**

is informed! Here are a few examples of what a Communications Rep might do:

- Maintain/oversee a website if applicable
- Make sure the group has a copy or copies of the Georgia Message or Area newsletter
- Maintain a bulletin board with flyers of events, group information, etc.
- Maintain current meeting schedule — printed copies, update group information on GSSA site
- Communicate/notify/remind members of upcoming business meetings
- Attend District/Area Assemblies to assist GSR with sharing information
- Assist group with translation/acquiring materials in Spanish/braille, etc. if needed

Every group is autonomous in the way it functions, and it therefore can create/use a Communications Rep as it best serves its needs. That is the beauty of our AA Traditions.

As always, please let us know how we can be of service to you.

Alternate Delegate Continued from Page 1

hear from our Delegate and Area Officers, review old business and discuss new business. It is at this business meeting that each GSR or their designated Alternate GSR votes according to their group conscience or practices their "right of decision" based on the discussion and information presented.

Who can attend the Assembly? Any AA member who desires may attend the Assembly, including any of the workshops, orientations, and meetings. However, only the elected GSR or the designated Alternate GSR (in the GSR's absence) may vote at the business meeting. The Georgia AA Service Manual states on page 12, "The best way to really understand the purpose of the Georgia State Service Assembly and why a group GSR is elected is to come and see for yourself."

My attendance at the Assembly through the years has given me a greater understanding of the importance the group conscience holds in all matters affecting AA as a whole. I invite all AA members to attend the Assembly and experience our service structure in action.

or returned. When we begin to realize the services that are being provided to us it is important to remember that we are the blessed ones. Most alcoholics still have no idea that we are here. Of those that do know we are here, very few are involved in service.

If you are a GSR that attends Assembly, I encourage you to reach out to other groups in your Area that may not be as active. Our hope is to increase the voice of the groups in Area 16. Our DCMs are working hard to reach out in their Districts. When we work together, we provide an opportunity for alcoholics to participate in their own recovery and pass it on to the newcomer.

Finally, there is a spiritual reason for the "Right of participation" (Concept IV). All of us desire to belong. In AA, no members are second class, therefore no member is placed in ultimate authority over another. We perform tasks better when we are sure we belong — when our participation assures us that we are truly the "trusted servants" described in Tradition Two. We are blessed beyond measure!
